GENERAL AND SITUATION

Approximate Distances:

Lampeter 3 miles • Llanybydder 3 miles • Carmarthen 21 miles

A fabulous country property set in approx. 17 acres with a four bedroom farmhouse and adjoining one bedroom self-contained annexe, separate two bedroom holiday let, a fine range of outbuildings and pasture paddocks, in a lovely secluded rural location with beautiful views over the surrounding countryside.

We understand that Frowen was previously part of a much larger working farm and the main farmhouse was built in around 1905. The current owners, who have lived there for just over twenty years, added the self-contained annexe in 2007 and then converted a traditional stone barn in 2019 to create a fantastic two bedroom holiday let, which they now run as an Airbnb generating an extremely attractive income.

The versatile range of barns and outbuildings are suitable for a wide variety of uses, particularly smallholding and private equestrian use.

Despite its secluded rural location the property is only three miles from both Lampeter and Llanybydder. Lampeter is a University Town with a good range of shops and amenities including a Sainsbury and Co-op, whilst Llanybydder is renowned for its weekly livestock auctions.
