Lead In

Situated within a desirable cul-de-sac position, this beautifully presented, double-fronted, four-bedroom detached family home offers spacious and versatile accommodation, ample off-road parking, and a superb layout perfectly suited to modern family living.

The property benefits from a generous frontage, featuring a double driveway to the side alongside an additional gravelled parking area, providing ample space for multiple vehicles. A particular standout feature is the double tandem garage, which has been partially converted to create a perfect home office and beauty salon, making it an ideal setup for those working from home, running a business or even as additional living space.

Internally, the property is presented to a high standard with recent redecoration and full re-carpeting. In addition, all windows and doors were replaced in 2022, enhancing both the property's appearance and energy efficiency. The home is ready for immediate occupation.

Outside, the private landscaped rear garden provides an excellent outdoor space for families and entertaining, enjoying a great degree of privacy and a well-maintained setting.

Properties within this highly sought-after area remain extremely popular due to their convenient location, close proximity to well-regarded schools, the town centre, and excellent motorway connections, making this an ideal home for commuters and growing families alike.

External

Occupying a pleasant position within a quiet residential cul-de-sac, this attractive detached family home enjoys excellent kerb appeal with a spacious frontage and ample off-road parking. A generous driveway provides parking and leads to a substantial double tandem garage, offering excellent storage and parking options. The property benefits from a beautifully maintained and private rear garden featuring a cherry blossom tree, ideal for families and outdoor entertaining. Predominantly laid to lawn, the garden provides a generous space for children to play and is bordered by mature shrubs, planting and fencing with additional shed. A paved patio area offers the perfect setting for dining and relaxation, while the detached double tandem garage has been partially converted to include a home office to the rear, creating an ideal place for remote working, hobbies, additional living space or a studio. The garden enjoys a significant degree of privacy and is well suited to modern family living.
