Secluded south-west facing garden, studio/workshop and off-road parking.

INTERNAL- You are welcomed into a practical boot room – The living room is warm and inviting, centered around a feature brick fireplace with log burner, creating a cosy atmosphere. A charming box bay window frames views of the secluded south- and west-facing gardens, allowing natural light to flood the room.

The spacious dining room offers ample space for entertaining and family gatherings, complete with an open fireplace, exposed beamed ceilings, attractive block parquet flooring and a distinctive dual staircase which adds to the home's unique character.

The impressive extended kitchen/family room measures over 20ft and forms the heart of the home. A vaulted ceiling with Velux window, picture window and bi-folding doors creates a light-filled space that connects beautifully with the garden. The kitchen is fitted with a stylish range of contemporary units and integrated appliances including fridge/freezer, dishwasher, wine fridge, induction hob and double ovens. A large central island with butler sink and hot water tap, provides additional storage and the perfect spot for informal dining or entertaining. A separate utility room provides space for appliances, and there is also a convenient ground floor WC.

Accessed via two staircases, the first floor continues to offer character and flexibility. The principal bedroom benefits from built-in storage and an en-suite shower room. Bedroom two enjoys lovely views over the garden and also includes built-in storage. Bedroom three offers versatility and could equally serve as a study, dressing room or walk-in wardrobe. A family bathroom completes the accommodation.

EXTERNAL- Set behind a charming flint wall and mature hedgerow, the property enjoys a high degree of privacy and a peaceful setting. The beautifully maintained garden benefits from a desirable south and westerly aspect, ensuring the space is bathed in natural light throughout the day. The garden features a lush lawn, a variety of established shrubs, flowers and trees, and a patio area ideal for outdoor dining and entertaining.

A particularly appealing addition is the studio, which leads through to a workshop area — perfect for hobbies, creative work or potential home office use.

To the front of the property there is off-road parking along with secure gated access.
