A rare and spacious three-bedroom maisonette in the heart of St Leonards

Occupying the upper floors of an elegant period building, this substantial four-bedroom maisonette enjoys an enviable position moments from the seafront and surrounded by independent galleries, cafés and boutique shops.

The property offers bright, generously proportioned accommodation throughout with large sash windows bathing the interiors in natural light from both the north and south. The modern galley kitchen makes the most of its elevated position, framing a stunning sea view, while the 3/4 well-planned bedrooms — three of which are spacious doubles — provide flexible living options for those seeking a stylish coastal retreat with plenty of space.

Offered with a share of the freehold and a long lease of approximately 981 years remaining, this is a rare opportunity to acquire a substantial and characterful home in one of the most sought-after locations on the South Coast.
