Description

Set in the popular Royal Park Gate development in North Kingston, this detached house was built in the 1990s and offers a well-proportioned family home in a convenient, sought-after setting.

The ground floor is arranged around two reception rooms and a conservatory, giving space to entertain or simply spread out. Upstairs, three well-proportioned bedrooms are served by two bathrooms, a practical setup for busy family mornings.

Outside, the west-facing rear garden makes the most of the afternoon and evening sun, and includes a garden office - ideal for those working from home.

The property also comes with planning permission for a substantial extension (23/01807/HOU) for a full-width rear extension, a double-height side extension and a loft conversion which would create a substantial five bedroom, five bathroom home, with plenty of scope to grow into the space over time.

Off-street parking and a garage add further practicality, while the location itself is well placed for the excellent local schools, making this a strong choice for families looking to put down roots in the area.

Situation

Brough Close is a sought after road within the Royal Park Gate development situated just moments from the River Thames and within close proximity of Richmond Park. This is a wonderful environment for a family being ideally positioned between Kingston and Richmond town centres with their extensive range of shops, restaurants and overland & underground stations providing services to Waterloo and the City. The local shops of Ham Parade are close by and Ham common is a short distance away. The standard of schooling within the immediate area is excellent and these include The Kingston Academy, Tiffin Girls, Fernhill Primary and Grey Court.
