*"I bought this house as a single first time buyer and we leave it as a family so this house will always be very special to me. The house is close enough to North street and Wapping Wharf that it's perfect for socialising, while it has also provided a great space to start our family - all of the rooms are such a nice size! The kitchen, with space for a table, has been ideal for having friends over and we've especially enjoyed how private the garden feels. It's a real oasis in the city!"*
