Jennings & Barrett are pleased to introduce this semi-detached family home to the market.

This property is located in a quiet residential street within Sidcup, South East London. With three bedrooms, spacious living areas, and a private garden, this home is ideal for growing families.

Outside, the private driveway fits two cars – electric car charging is available just a few footsteps away. The rear of the property features a sizeable private garden, with a clever layout creating easy zoning options.

On the ground floor, you'll enter the property through a porch. It's perfect for leaving muddy shoes after playing sports in local parks.

Step into the hallway to find the stairs, the downstairs WC, and the entrance to reception areas and the kitchen.

The large reception room, located at the front of the property, features large bay windows that create lots of light. A modern interior allows for lots of flexibility with furniture layout. On the left side of the room, a semi-open plan layout leads you through to the kitchen and into the dining room.

The kitchen is a stylish space complete with a gas-powered cooker and double oven. Ample storage makes cooking and hosting a breeze. Wide sliding doors lead through to the dining room, allowing light to filter through from the garden.
