Inside, the stylish modern accommodation begins with an inviting entrance hall with an accessible w/c with utility space for the washing machine and tumble dryer, along with an additional understairs store cupboard. The open plan living room has a contemporary feel and looks onto the courtyard. The fitted kitchen is complete with various appliances, including electric oven and combi oven, electric hob with extractor over, dishwasher and fridge freezer. From the hall, a wide staircase gently rises to the first-floor landing (there is currently a stair lift fitted which is designed to be easily removed if required) which gives way to the well-appointed shower room and the bedroom. There are useful cupboards built into the landing which house the gas fired boiler and provide excellent storage. The bedroom is quite spacious, with a high ceiling, and benefits from wall to wall, deep built in wardrobes.
