Location

West Kingsdown is a village in the Sevenoaks district of Kent. It is located on the A20, around 5 miles (8 km) southeast of Swanley, 5.5 miles (9 km) northeast of the town of Sevenoaks and 22.5 miles (36.2 km) from central London. The village, because of its situation near London, has grown considerably from a relatively small farming community to a popular commuter village. To the southwest of the main village are the rural housing developments of Knatts Valley and East Hill. To the north of the village lies the Brands Hatch motor racing circuit. There are four churches in the village: the parish church of St Edmund King and Martyr; West Kingsdown Baptist Church; the Roman Catholic church of St Bernadette; and Kings Church, an Evangelical church established in 1996.

The closest National Rail stations to the village are Eynsford and Kemsing, each located 4.6 miles away and Borough green a little further to the south. There are excellent roadlinks via the A20 to the M26/M25 and M20 connecting to London, the coast and Ebbsfleet International.
