SELF CATERING COTTAGE COMPLEX BUISINESS OPPORTUNITY

Hawthorn Farm Cottages - An excellent investment opportunity to acquire two self-catering holiday let cottages with two further let only rooms with potential to convert into a third cottage. Walnut Cottage offers a dining kitchen, lounge and two bedrooms, both with en-suite facilities.

Lavender Cottage has an open plan lounge/kitchen with three bedrooms again all with en-suite facilities. Number 5 and number 6 Hawthorn Farm are currently arranged as two, one bedroom, let only rooms with en-suite facilities. However, planning has been granted to convert those into a two bedroom, two bathroom self-catering holiday let. There are also two existing garages and delightful gardens and seating areas along with off road visitor parking. Currently Lavender Cottage and Walnut Cottage without the additional third cottage are returning 12% with potential for this to be significantly increased upon the conversion of the two letting rooms into a two bedroom, en-suite cottage. The cottages have been operating extremely successfully for many years and our figures are based on an average income over the last three years. Without doubt this is a fabulous opportunity with excellent returns for the investment purchaser with further scope.

DIRECTIONS:

From our Buxton office bear right and right again at the Spring Gardens roundabout. Follow the road proceeding across the first two roundabouts, turning left at the third roundabout and proceed up Fairfield Road. At the very top of Fairfield Road Hawthorn Farm Cottages will be seen well set back from the road on the right-hand side.
