PROPERTY DESCRIPTION

Occupying a pleasantly tucked-away position within a modern residential development, this deceptively spacious three-bedroom mid-terraced home offers an excellent opportunity for first-time buyers, families and investors alike. Approached via pedestrian access only, the property enjoys a greater sense of privacy than many similar homes, with a generous front garden creating an attractive approach to the front door. Internally, the well-proportioned accommodation includes a useful entrance porch, a bright and comfortable lounge featuring an open fire and pleasant views over the front garden, together with a spacious kitchen/dining room ideal for modern family living. To the first floor are three bedrooms and a family bathroom fitted with both a bath and separate shower.

Outside, the enclosed rear garden has been designed with ease of maintenance in mind, incorporating patio seating areas, gravelled sections and a timber garden shed, providing an ideal space for relaxing and entertaining. Further benefits include a garage with parking in front, along with a fully boarded loft space complete with storage shelving, lighting and power, offering excellent additional storage and potential for a variety of uses.

Benefiting from uPVC double glazing and gas central heating throughout, this is a fantastic opportunity to acquire a substantial home offering exceptional value for money. Whilst some cosmetic updating and redecoration would enhance the property further, it provides buyers with the perfect blank canvas to put their own stamp on a well-proportioned home in a desirable location. With its generous accommodation, practical extras and excellent potential, early viewing is highly recommended.
