Services: All mains services are connected.

Location

Shaftesbury is famed for the iconic cobbled street of Gold Hill and rich history going back to the times of King Alfred. Shaftesbury is a delightful community orientated town with an attractive and bustling High Street that provides most everyday requirements including a farmer's market, cafés, charity shops, various retail shops and a cottage hospital.

Families are drawn to this area by the quality of life and excellent choice of state and independent schools including Port Regis, Clayesmore, Sandroyd, Bryanston, and St Mary's amongst many others.

There are railway stations at Gillingham (4.5 miles) and Tisbury (8 miles) with mainline services to London (Waterloo) and the West Country.

Inside the Home

The accommodation is traditionally split over two storeys with the ground floor boasting a wealth of accommodation to include a dual-aspect sitting room, with doors leading to the conservatory, as well as a second reception room that creates an ideal family/play room or home office. Furthermore, is the brilliant kitchen breakfast room that again features a dual aspect to allow for plentiful natural light whilst the separate utility room is of great convenience.

Upstairs, there are four well-proportioned bedrooms, including one with an en suite to create the ideal guest room. The remaining bedrooms are served by a modern family bathroom of which features a walk-in shower and separate deep soak bath. A further highlight of the upstairs is the expansive landing area that creates a wonderful relaxation spot.

Outside Space

Front: A hardstanding driveway allows for plentiful off-road parking with an integral garage offering additional parking or storage options as desired. The remainder of the front garden is a delightful combination of well-kept lawn and shrubbery to provide colour.

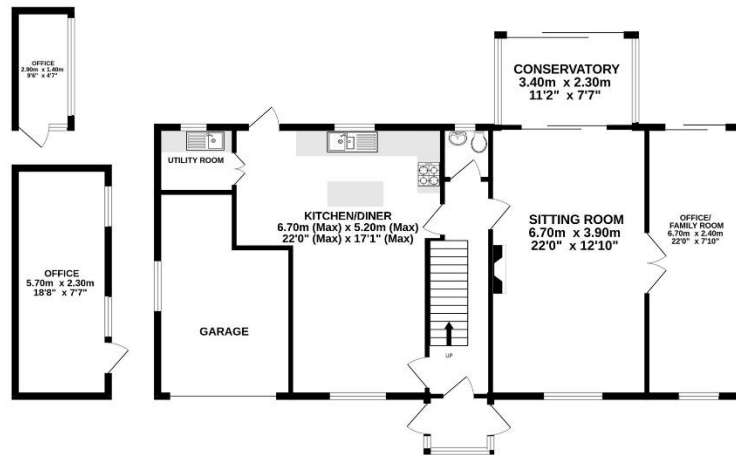

Rear: The rear garden is a fantastic space that occupies a split level. Initially accessed directly from the home is a sizeable patio and lawn, as well as access to two outdoor office spaces complete with a power supply. A further seated area is then positioned to the rear of the garden before steps lead up the incline through the embellishing flower beds and towards a wild garden at the highest point of the garden. It is from here the views a most spectacular across the Blackmore Vale.
