

1, Thornsett Gardens

Sheffield, S17 3PP

Description

A spacious and extended, detached bungalow that offers huge potential for further development. The property is situated on a generous plot which includes a gated access point from Dore Road (overgrown and not currently used) which could provide a separate point of access if required in the future. With 2014.7 square feet of accommodation that includes three double bedrooms including a large principal suite with both ensuite dressing and bathrooms, two large reception rooms, a kitchen, two bathrooms and a separate W.C. The layout is well designed and the large plot complements the interior perfectly. The grounds extend to three sides of the property and it is suggested that there is plenty of space here to extend the living accommodation if required. The driveway leads to a detached double garage and parking area and there are gates at either side of the property for security. The property is situated on a very desirable and exclusive road, just off Dore Road and a short walk away from the excellent village amenities in Dore and there is a train station at the foot of the road providing speedy links into town or, via some of the pretty Peak Park villages, into Manchester Piccadilly. The property is available with no onward chain and is well worthy of an early inspection.
