Offers In The Region Of £450,000

Millstone Cottage is an attached, unlisted cottage situated within the Conservation Area of the village, located between St Mary's Church and Beacon Hill. The property provides accommodation arranged as three double bedrooms and one single bedroom, three bathrooms and three reception rooms. The cottage has been sympathetically maintained and upgraded by the current owner over a number of years. Being formed from two cottages, the property offers flexible living space and benefits from a gas-fired radiator heating system and PVCu double glazing. The accommodation is well presented and incorporates a number of character features, including open fireplaces, exposed stonework and millstones discovered within the foundations during renovation works carried out approximately 30 years ago. The ground floor comprises a hallway, three reception rooms and a kitchen. To the first floor, there is a principal bedroom with en-suite, a further double bedroom, a bathroom and a single bedroom located on the same side of the cottage. An additional double bedroom and bathroom are accessed via a separate staircase, which may offer a degree of independence or privacy. Externally, the property benefits from a well-maintained garden, off-street parking for several vehicles and summer house. Access is via wooden electric gates. The property is offered for sale with no onward chain.
