Offered to the market with no onward chain, this beautifully renovated three-bedroom Victorian home is a fantastic opportunity for buyers looking for a stylish, move-in ready property in one of Bristol's most vibrant neighbourhoods.

The accommodation begins with a welcoming entrance hall leading to two generous reception rooms, both enjoying the high ceilings typical of the period. To the front, the bay-fronted living room is filled with natural light, while the separate dining room provides a perfect space for entertaining or family living. To the rear, the home opens into a contemporary kitchen / diner designed with modern lifestyles in mind, complemented by a separate utility room offering excellent practicality. A basement adds valuable storage.

Upstairs, there are three bedrooms and a spacious, beautifully finished contemporary bathroom.

Externally, the property continues to impress with a deceptively large rear garden for the area, ideal for relaxing, socialising and making the most of the warmer months.

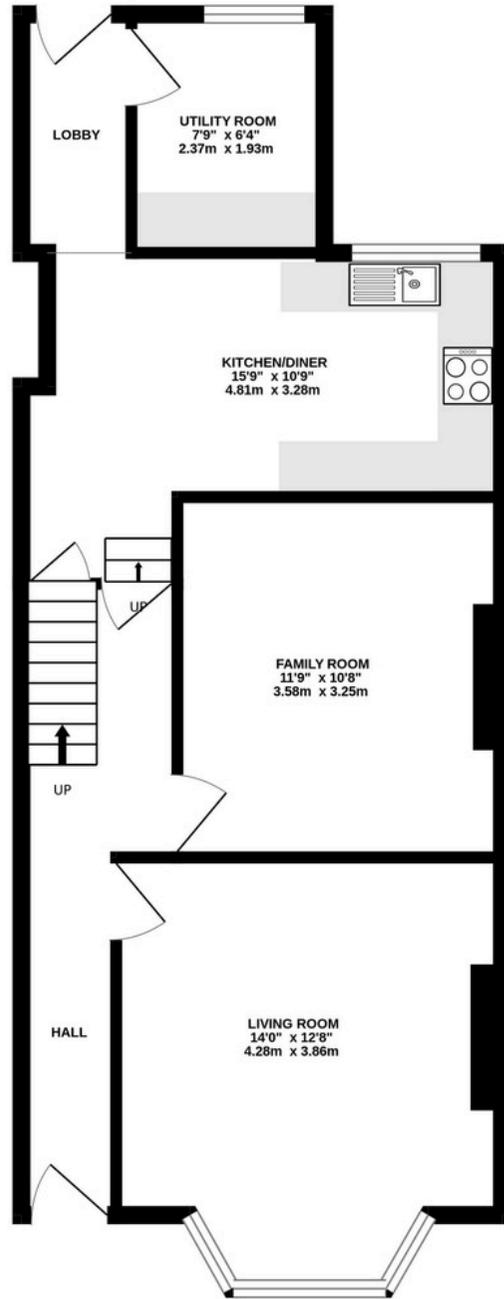

Robertson Road sits in a superb position, connecting the best of Easton, Greenbank and Eastville, and is well known for its strong community feel and eclectic mix of independent shops, cafés and eateries.

The location offers excellent access into Bristol city centre, with great transport links close by, while also making it easy to head out towards the motorway network for commuters. For those who enjoy the outdoors, there are a number of green spaces within easy reach, along with the popular Bristol to Bath cycle path, ideal for walking, running and cycling.

The area is also well served by local schools and leisure facilities, making it a great choice for a wide range of buyers – from first-time purchasers to growing families and downsizers.
