THE DEVELOPMENT

A BOUTIQUE COLLECTION IN A GOLF COMMUNITY IN ESTEPONA

At Marevo Real Estate we present this boutique development in Estepona, an exclusive collection of just 36 apartments priced from €569,000 to €869,000 with delivery expected in the third and fourth quarters of 2028. A development designed for those seeking the privacy of a small community and the promise of contemporary Mediterranean living.

The setting could not be more privileged: a prestigious gated golf community on the New Golden Mile, within the La Resina Golf area, a few minutes from the beach and from Estepona's vibrant gastronomic, cultural and social scene. Here life feels perfectly balanced, surrounded by nature yet at the heart of one of the most cosmopolitan enclaves on the Costa del Sol.

The elegant, contemporary architecture combines with spaces designed to promote relaxation and comfort. Life flows effortlessly between light-filled interiors, large terraces and the beauty of the coastal landscapes, with a considered luxury that elevates the everyday to the extraordinary.

Every detail answers to a concept of modern design, elegance and quality in a dreamlike setting. The bright interiors open outwards, letting the sea breeze and the Mediterranean light accompany residents' daily lives.

As a gated golf community, the development offers the privilege of exclusivity and a peaceful, secure setting, in full contact with the course and the green spaces that define this prestigious urbanisation.

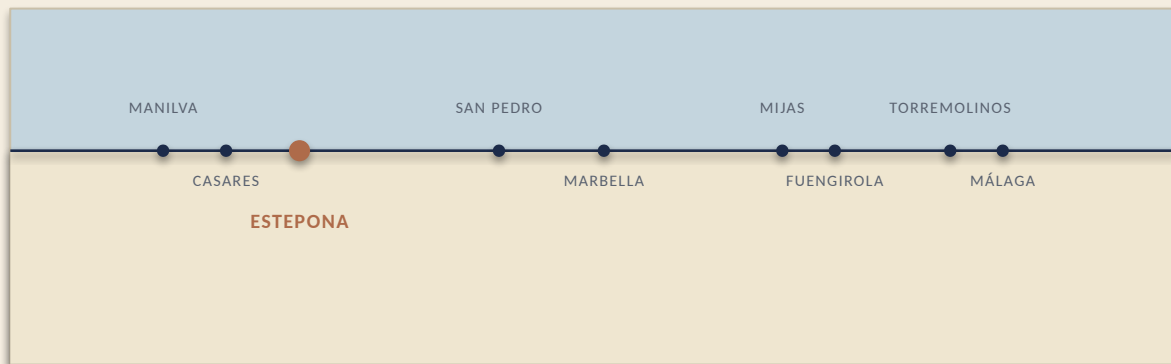

Thanks to its location on the New Golden Mile and its closeness to the beach, this development is ideal for year-round enjoyment and for those considering a second home or an investment in one of the areas with the greatest potential on the Costa del Sol.

At Marevo Real Estate we unite the precision and rigour of impeccable service with deep local knowledge, offering you a personalised, attentive service at every step. If you would like more information or to arrange a visit, we invite you to **CONTACT MAREVO**.
