MA1087 A fabulous four bedroom detached home situated in an excellent peaceful location only a 10 minute walk from the train station overlooking open green areas. This property really is one of the best we have seen for design and location. Parking for three cars leading to the garage with electric door. This modern home provides the best of everything with open plan living across the rear of the house incorporating a family room, dining room and kitchen. There is a bright lounge and study for those who work from home. There is a cloakroom and utility area. On the first floor the gallery landing looks down over the dining room. The main bedroom is dual aspect and provides a range of built in wardrobes and an ensuite. Bedrooms two, three and four are double bedrooms. The large family bathroom provides a four piece suite. The generous rear garden has been landscaped and a side gate leads to the garage.
