To the front of the home, a separate snug offers a more intimate reception space, ideal as a cosy lounge, playroom or second sitting room depending on your needs. This flexible room provides welcome separation from the main living areas, making it ideal for growing families.

The true heart of the home lies to the rear, where an exceptional open-plan kitchen, dining and living area spans the width of the property. Integrated appliances include double electric ovens and an induction hob, while a dedicated pantry and the all-important bar area add both practicality and personality.

French doors open directly onto the garden, allowing natural light to flood the space and creating a seamless connection to outdoor living. A separate utility room sits just off the kitchen, keeping laundry and additional appliances tucked neatly away.

A stylish guest WC completes the ground floor accommodation.

Bedrooms & Bathrooms

Arranged across the first and second floors, the property offers five bedrooms, creating flexible accommodation for families of all sizes.

The first floor hosts four well-proportioned bedrooms, all presented to a high standard and adaptable as children's bedrooms, guest rooms or dedicated home office space where required.

A contemporary family bathroom serves this level, fitted with a modern white suite including a P-shaped bath with shower over, vanity sink unit and WC.

Stairs rise to the converted loft, where the principal suite occupies the entire second floor. This superb private retreat offers a bright and spacious bedroom enhanced by Velux windows, useful eaves storage and a sense of separation from the remainder of the home. A further bathroom on this floor provides added convenience, complete with bath, WC and vanity wash basin.
