This fine, individual, single storey residence enjoys a tranquil no-through road position, just a short walk from the village amenities and primary school. The property is extremely well presented and has been periodically updated and improved, set within mature gardens and grounds of approximately 0.21 acres, with the added benefit of a large self-contained studio, ideal for those working from home or which could be re-purposed to a self-contained annexe.

The accommodation comprises a welcoming reception hall with two generous storage cupboards. Immediately off is a shower room, which also has a door to the master bedroom in a Jack & Jill set-up, and a well-equipped utility room fitted with base level and wall mounted storage cupboards, ample fitted working surfaces with an inset single sink unit and space for the usual white goods. The kitchen/dining room is fitted with attractive cabinetry, ample fitted working surfaces with an inset one-and-a-half sink unit with mixer tap and drainer, deep pan drawers, pull-out larder cupboards, spice drawer and corner carousels, plus integrated appliances which include a four-ring ceramic hob, oven, combination microwave oven, fridge/freezer and dishwasher. The sitting room boasts a feature fireplace (previously housing a wood burning stove) large fitted cupboards, and bi-fold doors to the front garden. Off the main sitting room are three bedrooms and a shower room. The master bedroom has fitted wardrobe cupboards, French doors to the garden and a Jack & Jill arrangement with the bathroom in the hallway.

Outside, the property is set back from the road, behind a pretty cottage garden with paved terraces, well-stocked flower and shrub borders and beds, and a wide and varied selection of specimen trees and bushes. A generous gravelled driveway provides ample off-road parking and leads to an exceptionally large studio (650 sq ft / 60 sqm), currently divided into three rooms and with its own WC and kitchen units, suitable possibly for those working from home. The studio/home office consists of a generous work room, an office, a store room, a kitchen area and a cloakroom/WC. The studio has access to both the drive and onto the road. Gated access leads to the rear garden, which is mainly laid to lawn with flower and shrub borders and beds, a small vegetable patch, a generous paved patio area, plus a selection of fruit-bearing and specimen trees, mature hedging and bushes, all enjoying excellent levels of privacy. The property therefore benefits from well-maintained gardens at both the front and the rear of the house.
