The property is a charming double-fronted rendered cottage, enhanced by a central oak apex-roof porch, a traditional red tiled roof, and a single-storey extension to the side elevation. Extending to approximately 1,541 sq ft, the well-proportioned accommodation offers an excellent balance of living and entertaining space. The ground floor comprises a fitted kitchen, conservatory, formal dining room, spacious lounge, and a practical utility room.

To the first floor are three generously sized double bedrooms, all served by a modern family bathroom.

Externally, the property is accessed via a private gated entrance leading to a substantial hardstanding area, providing ample off-street parking for multiple vehicles. The majority of the outdoor space lies to the front of the property, where a spacious garden enjoys a high degree of privacy, being screened by a number of mature trees and predominantly laid to lawn.

To the rear, a patio area and raised decking create an ideal space for al fresco dining and outdoor entertaining, while the surrounding countryside provides a peaceful and attractive backdrop.

West End Farm combines the charm of rural living with spacious accommodation, making it an ideal home for families seeking both character and peacefulness.
