Firsby, Spilsby

Occupying a generous plot in the ever-popular village of Firsby, this attractive semi-detached home offers bright, airy and versatile accommodation, generous gardens and excellent outside storage, making it an ideal choice for families or anyone seeking the space and tranquillity of village life.

Originally built in the 1890s as a railway cottage, the property has been thoughtfully extended over the years, with additions in the 1960s and the garden room completed in 2000. The accommodation comprises an entrance hall, inner hall, versatile sitting/dining room with fireplace, comfortable lounge featuring a multi-fuel burner, fitted kitchen, light-filled garden/dining room and utility room to the ground floor. Upstairs are three bedrooms and a contemporary shower room.

Outside, the property enjoys ample off-road parking to the front with a handy store off, while the attractive rear garden is predominantly laid to lawn and provides plenty of space for children, gardening or outdoor entertaining. A side courtyard incorporates a useful brick-built outbuilding and a separate WC, with a garden shed/workshop, greenhouse and large log store/garden storage area situated to the far rear of the gardens.
