VACANT. 9 North Street is a very pretty, natural stone, thatched, Grade II listed, character cottage situated in a top address amongst other period properties in this popular Dorset village, a short walk to the popular village pub and primary school. The cottage boasts a substantial, west-facing rear garden plus single garage. The cottage is in excellent decorative order throughout and retains many original character features including an Inglenook fireplace with bread oven feature, exposed beams and window seats. The deceptively spacious accommodation is well arranged and comprises entrance hall, sitting room / dining room, open-plan kitchen / breakfast room and cloakroom / WC. On the first floor there is a landing area with study space, large master double bedroom with dressing area and fitted wardrobes, second double bedroom and a family bathroom. It is heated via an electrically fired radiator central heating system and cast iron log burning stove. It also benefits from secondary double glazing. There are great country lane walks from the front door - ideal as you do not need to put the children or the dogs in the car. This rare property is situated in the picturesque and attractive village of Bradford Abbas, close to a church, a primary school and a public house. The historic town centre of Sherborne is only a short drive away with its superb boutique high street with cafes, restaurants, Waitrose store and independent shops plus the breath-taking Abbey, Almshouses and Sherborne's world-famous private schools. It is also a short drive to the mainline railway station to London Waterloo. Sherborne has also recently won the award for the best place to live in the South West by The Times 2024. It also boasts 'The Sherborne' - a top class, recently opened arts and conference centre plus restaurant that is in the building of the original Sherborne House. The cottage is perfect for aspiring couples or families or those seeking a pied-a-terre in the West Country. VACANT
