Property Summary

Propertyworld is delighted to present this attractive three-bedroom mid-terrace family home, ideally situated on highly regarded Clevedon Road, one of SE20's sought-after residential addresses.

Perfectly positioned moments from Penge High Street, the property is surrounded by a fantastic selection of independent cafés, restaurants, gastropubs and shops, with excellent transport connections also close by.

A covered porch opens into a welcoming entrance hall, leading to an impressive front reception room. Generous windows fill the room with natural light, while wood flooring and a feature fireplace add warmth and character.

To the rear, the dining room provides direct access to the garden through French doors and sits conveniently alongside the kitchen. The well-appointed galley kitchen offers a range of fitted units, generous preparation space and tiled splashbacks. A useful cupboard houses the washing machine, while a further door provides additional access to the garden.

Upstairs, there are three well-proportioned bedrooms, including two generous doubles. The principal bedroom benefits from wall-to-wall fitted wardrobes, while the second bedroom retains a charming period feature. The spacious landing provides additional storage, and the loft offers potential for conversion, subject to the necessary consents, potentially creating a fourth bedroom.

The beautifully presented bathroom features warm, earthy-toned wall tiling, contrasting flooring and a crisp white suite. A large window ensures the room is filled with natural light.

Outside, the private rear garden provides a peaceful space to relax and entertain, with a decked patio - ideal for alfresco dining leading onto a well-maintained lawn.

Combining generous accommodation, attractive period features, a private garden and exciting potential, this characterful SE20 home represents a fantastic opportunity in a highly desirable location.
