**\*\*UNINTERRUPTED VIEWS TOWARDS WINDSOR CASTLE\*\***

A rare opportunity to purchase one of the few properties in Haywards Mead which benefits from stunning rear, uninterrupted views, over fields with a clear view of Windsor Castle.

This semi-detached property is naturally bright and in very good condition throughout. It has 3 bedrooms and 2 bathrooms with a separate W.C., as well as a generous reception room overlooking the front garden and a modern kitchen which benefits from double doors which go straight out onto the rear garden which faces South-East.

There is a detached garage to the side as well as driveway parking for 2 cars.

The property is situated in a quiet cul-de-sac in Eton Wick Village and moments from Eton High Street.

The house is centrally located, only 0.2 miles from the nearest school and 1.4 miles from Windsor & Eton Riverside station, and one can walk to the local shops in around 5 minutes.

The property is a perfect family home as one can move straight in and there is the benefit of no onward chain complications.

There is also potential to extend should you wish (STPP).

**OPPORTUNITIES TO EXTEND**

**REAR EXTENSION:** to make an even larger kitchen by extending out further and adding possible sky lights and bi-folding doors all along to really open up the space

**GARDEN ROOM:** one could put in which would make an ideal office, playroom or gym

**GARAGE CONVERSION:** instead of adding an additional garden room, one could convert the garage, which already benefits from a side door, into a room which could be a home office, gym or playroom.

**SIDE EXTENSION:** one could extend out to the side, possibly even double storey (subject to permission) to create more living accommodation, like the neighbours

have done to the left.

#### AMENITIES

The property is located down a quiet cul-de-sac, with far reaching, unobstructed rear views over fields with Windsor Castle in sight.

The house is within walking distance to a number of local shops, café's and restaurants in Eton Wick Village and on Eton High Street, as well the local Library and Community Centre.

In terms of transport, there is a bus stop just outside the close and one is only 1.4 miles from Windsor & Eton Train Station (which goes directly to Waterloo) and 3.2 miles from Slough Station (which is on the Cross Rail Elizabeth line), so would be ideal for commuters.

If you walk along the River Thames or to the end of Eton High Street, you can also walk over the bridge and you arrive in Windsor.

There are wonderful areas for walking and cycling including Dorney Common, which is a short walk away, as well as the Eton Wick Recreational Ground which backs onto more parkland and the Thames Tow Path.

The property would make a wonderful home or investment due to its central location and the fact it has 3 bedrooms and 2 bathrooms with separate W.C., as well as a separate garage.
