Offering a modern and flexible layout, the property benefits from a second reception room which can easily serve as a fifth bedroom or home office, making it ideal for growing families and those working from home. Presented in true walk-in condition, the home has been meticulously maintained and enjoys gas central heating and double glazing, ensuring comfort and efficiency.

At the heart of the property lies a stylish dining kitchen, complete with fitted units, tiled flooring and patio doors opening onto the rear garden, creating a perfect space for both everyday family life and entertaining. A separate utility room, with additional pantry storage and plumbing for a washing machine, adds further practicality.

Upstairs, the spacious accommodation comprises four well-proportioned bedrooms, including a principal bedroom with fitted wardrobes and en-suite shower room, along with a second bedroom also benefiting from en-suite facilities. The remaining two bedrooms are served by a contemporary, partially tiled family bathroom featuring a bath pedestal basin and WC.

Externally, the property enjoys excellent kerb appeal, with a traditional block-paved driveway bordered by lawn and mature planting. The driveway provides parking for multiple vehicles and leads to a single garage with power and lighting. A side gate offers access to the rear garden, which is predominantly laid to lawn and enclosed by timber fencing — creating a secure and private space ideal for children and pets.
