VIEWINGS ADVISED

Kings Langley Estates are delighted to present this two / three-bedroom house requiring modernisation, offering spacious accommodation, a generous rear garden and excellent potential to create a family home.

The property is arranged over two floors and provides well-proportioned accommodation throughout. The ground floor comprises a spacious reception/dining room, separate kitchen and a ground-floor bathroom located off the kitchen.

The property is dated and would benefit from a programme of modernisation and refurbishment, providing an excellent opportunity for a purchaser to update and personalise the accommodation to their own requirements.

To the first floor are two / three bedrooms, offering flexible accommodation for a family, couple or those requiring additional space for working from home or guests.

Outside, the property benefits from a good-sized rear garden, with a paved area leading onto a lawn and established boundaries.
