Outside

Front
To the front of the property, a brick-weave driveway provides parking for multiple vehicles, with panelled fencing and a mature hedge providing access to the rear via the side of the property. A storm porch leads to the entrance door.
Rear
To the rear, the property benefits from an enclosed garden featuring a paved patio area with steps leading down to a brick-weave pathway. The pathway continues towards a timber storage shed with power and a raised decking area. To the side, a well-maintained lawn is bordered by mature planting, shrubs and trees, creating a pleasant and established garden setting. A second timber storage shed is located to the side of the property and benefits from gated access to the front. The garden also has an outside tap and external lighting.
