5 MALTHOUSE DRIVE

Set within a sought-after residential development, this attractive five-bedroom family home offers generous, thoughtfully arranged accommodation, perfectly suited to the demands of modern family living.

The property is entered via a welcoming hallway that immediately sets the tone for the space and comfort found throughout. The well-proportioned living room provides a warm and inviting setting, ideal for relaxing evenings or hosting guests. A separate dining room offers a more formal space for entertaining, family celebrations, or could equally be utilised as a fifth bedroom located downstairs.

At the heart of the home lies the contemporary kitchen/dining room, designed with both style and practicality in mind, featuring ample work surfaces, plentiful storage, and space for family dining. French doors open directly onto a well-positioned patio, allowing natural light to flood the room and creating a seamless connection between indoor and outdoor living — an ideal setting for alfresco dining and summer entertaining. A separate utility room provides additional storage and laundry facilities, while a convenient downstairs W/C adds to the home's everyday practicality.

The first floor offers four generously sized bedrooms, all well-presented and offering flexibility for family members, guests, or home working. The master bedroom benefits from a private en-suite shower room, creating a peaceful retreat, while the remaining bedrooms are served by a well-appointed family bathroom, ideal for busy households.
