The kitchen/diner is both practical and inviting, with a central island and plentiful storage, finished in pale cabinetry contrasted by a bold splash of colour. Multiple windows and a garden door ensure the room is always bright and well connected to the outdoors. The garden is a real highlight, stretching with a broad lawn framed by mature trees and planting. At the house, a paved terrace offers a spot for morning coffee, while a covered area further along provides an inviting space for entertaining or relaxing in the shade. Its impressive scale makes it versatile for gatherings, children's play, or peaceful evenings alike. Upstairs, four bedrooms flow from a bright landing. The front enjoys bay views and fitted wardrobes, while another benefits from an en suite. Further restful

rooms overlook the garden, joined by a fresh family bathroom with both bath and shower. The loft conversion crowns the home, offering a serene bedroom with Juliet balcony, dressing area, and private en suite, all enjoying leafy garden vistas and a wonderful sense of privacy. A WORD FROM THE EXPERT...

"South Woodford was home for the first 25 years of my life. As I get older, I realise how lucky I am to have grown up here, an area with such fantastic schools, amenities, and green space. George Lane is the main hub, where you'll find the Central line station, as well as a great selection of supermarkets — M&S, Sainsbury's, Waitrose and a Co-op. On top of this, is a fantastic choice of bars, pubs and restaurants, as well as an Odeon Cinema, library and gym. You really do have everything on your doorstep. Personal picks for food include the Japanese restaurant Sakura and local favourite Nino's. South Woodford boasts a great stock of Victorian/ Edwardian family homes, as well as newer purpose-built blocks of flats and conversions, so attracts families and young professionals. It has great transport connections to the City and Canary Wharf, and with Epping Forest on your doorstep it's got the perfect balance of everything you need. My favourite local spots for walking are the Hollow Ponds and the tucked away Elmhurst Gardens, with its two tennis courts. All round, it's a fantastic place to call home."
