Longwood Gate, Longwood Huddersfield,

**Offers in the region of
£350,000**

This charming Grade II listed character property beautifully combines period charm with modern comfort, offering spacious and versatile accommodation in a sought-after setting, enjoying an elevated position with far-reaching views across Golcar and the surrounding countryside. Ideally situated, the home also benefits from excellent transport links, with convenient access to local bus routes serving Huddersfield town centre and the nearby M62 motorway, providing connections to Leeds, Manchester, and beyond.

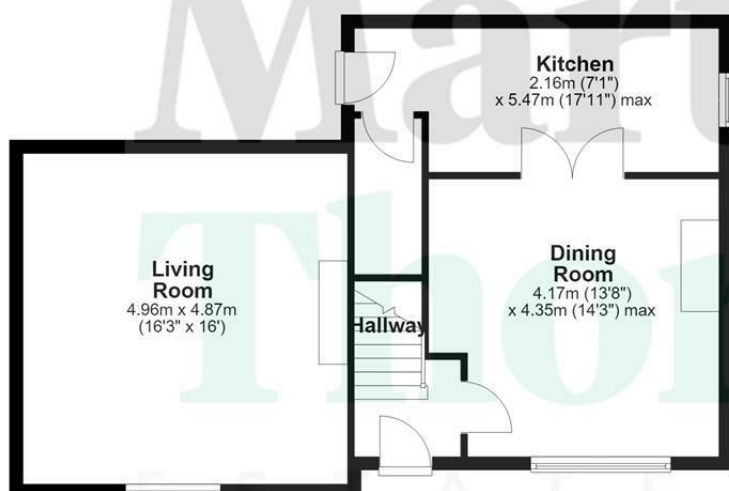

The property features four generously proportioned bedrooms, including an impressive principal bedroom with en-suite facilities. At the heart of the home is a well-appointed kitchen diner, complete with integrated appliances. The inviting living room is enhanced by a multi-fuel stove, adding warmth, character, and a cosy focal point. Outside, the property boasts a beautifully maintained raised garden and a Yorkshire stone seating area, perfectly positioned to enjoy the sunshine throughout the day. To the rear, a further raised garden offers a variety of vegetable beds, a greenhouse, and a useful timber shed, creating an ideal space for keen gardeners or those who enjoy outdoor entertaining. The property also benefits from a parking space. A rare opportunity to acquire a characterful home that offers generous living space, beautiful outdoor areas, stunning views, and an enviable balance of rural charm and commuter convenience.

Longwood Gate, Longwood Huddersfield,

Details

Entrance Hall

A timber door with opaque stained glass inserts and a matching over-light opens to the entrance hall, which has Amtico flooring, decorative coving to the ceiling and a contemporary style radiator. A staircase gives access to the first floor landing and a timber door leads into the living room.

Living Room

The living room has original pine flooring throughout, a high ceiling with a ceiling rose and original decorative coving and a stone hearth with a timber surround, home to a multi-fuel stove. There is a floor-to-ceiling sash window allowing natural light from the front elevation, along with two wall light points, a central ceiling light point and two contemporary style radiators.

Dining Room

Positioned at the front of the property, the room has two sliding sash windows, Spanish terracotta style flooring running throughout and an exposed beam to the ceiling. The focal point of the room is an open grate, cast iron gas fire with tile and timber surround. There are two ceiling light points and a set of timber and bevelled glazed bi-folding doors open to the kitchen, which is positioned at the rear of the property.

Kitchen

The kitchen has a range of wall and base cupboards, drawers and roll-edge worktops and a one-and-a-half bowl composite sink unit with a Quooker tap. Integrated appliances include a four-ring Bosch hob with overlying filter hood, double oven and warming drawer. There is space and plumbing for an automatic washing machine, space for a fridge freezer and a radiator. The room has Amtico flooring running throughout, ceiling spotlights and a creel. A sash window allows natural light from the side elevation. An oak door leads to a useful cellar. A timber and glazed door leads to the rear of the property.

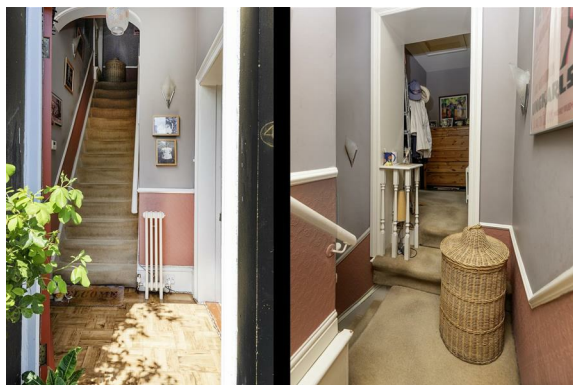

Cellar

The cellar is perfect for storage and has power, lighting and working surfaces. The electric fuse board is housed in this area.

First Floor Landing

From the entrance hall, a staircase gives access to the first floor landing, where there is decorative coving to the ceiling, a ceiling light point and a dado rail. There is a useful cupboard with a sliding door and shelving. The landing has a contemporary style radiator and access to loft space.
