Downstairs Cloakroom

Accessed via a secure gated entrance, this charming home welcomes you through a glazed door into an impressive and versatile family room. Flooded with natural light, this spacious area features high ceilings with exposed traditional beams, creating a wonderful blend of character and openness. The room comfortably accommodates a range of uses, with space for dining, relaxed seating, and a study area, further enhanced by a Velux window above.

From the family room, you are drawn into the cosy living room, a perfect space to unwind. A standout feature is the exposed brick fireplace, complete with a stove set on a stone hearth, adding warmth and rustic appeal. From here, a door leads through to the practical utility room, fitted with base cupboards, work surfaces, and a stainless steel sink. There is space and plumbing for both a washing machine and tumble dryer, along with a door providing convenient access to the outside. The utility also gives access to a separate downstairs cloakroom, which is fitted with a WC, hand wash basin, and a useful storage cupboard.

An additional reception room is accessed from the living room and is currently used as a home office. This flexible space could easily serve as a study, guest bedroom, or playroom, depending on individual needs.

Returning to the family room, the kitchen/dining room offers a well-designed and sociable layout. The kitchen is fitted with a range of wall and base units with complementary work surfaces, along with a composite sink and drainer. Integrated appliances include a dishwasher, while there is space for an American-style fridge freezer. A Beko range-style cooker with a five-ring gas hob sits beneath a Klarstein extractor hood, creating a focal point for the space. A breakfast bar provides additional seating for casual dining. The adjoining dining area benefits from fitted storage units and offers ample room for a table and chairs, with patio doors opening directly onto the garden-ideal for indoor-outdoor living and entertaining.

Stairs rise from the family room to the first floor, featuring a contemporary glass balustrade that enhances the sense of light and space. Upstairs, the property offers two well-proportioned double bedrooms and a comfortable single bedroom. The principal bedroom is fitted with built-in furniture and benefits from sliding doors leading to a stylish en-suite, complete with a concealed cistern WC, vanity hand wash basin with storage, a rainfall shower with separate attachment, and a ladder-style towel radiator.

A modern shower/wet room serves the remaining bedrooms and is fitted with a rainfall shower and separate attachment, wall-mounted hand wash basin, WC, and a ladder towel radiator.

Externally, there is off road parking available accessed via a gate in the rear garden. The side garden features a decked seating area, ideal for outdoor dining or relaxing, while the rear garden has been designed with low maintenance in mind, featuring artificial lawn.
