BRIEF DESCRIPTION

Halls are delighted to be instructed to sell Bakehouse Cottage by private treaty.

The ground floor is centred around the living room, which forms the main connecting space within the home. As the largest room, it provides a wonderful sense of space and is filled with natural light from its dual-aspect outlook. A log burner creates a warm and inviting focal point, while the room flows beautifully through into the sunroom, making the most of the natural light throughout the day. The fitted kitchen/dining room provides a welcoming and sociable space for everyday life and entertaining, complemented by a useful utility room offering additional practical space.

To the rear, the light-filled garden room provides a wonderful additional reception space, with attractive views across the gardens and a pleasant connection between the house and its outdoor surroundings.

To the first floor are three generously proportioned bedrooms, providing excellent accommodation for a family, guests or those requiring home working space. The bedrooms are served by a spacious contemporary bathroom, which has been finished to a high standard and complements the overall presentation of the property.

The accommodation is further enhanced by a new roof, a new boiler, new radiators, and double-glazed windows throughout. This, together with oil-fired central heating ensures a comfortable and energy-efficient home throughout the year.

Dating back to the late 1800s, Bakehouse Cottage was the original baker's cottage, historically situated between the shop and the bakery and now forms part of this historic setting. A wonderful sense of the property's past remains today, with the original kitchen floor still in place, providing a beautiful and tangible link to its heritage. This historic and characterful feature provides a sense of story to the home, blending with its more contemporary comforts.

OUTSIDE & GARDENS

Approached via a private driveway, Bakehouse Cottage enjoys a wonderfully secluded and tranquil setting, with beautifully landscaped gardens providing an attractive backdrop to the property. The gardens have been thoughtfully designed to create a number of distinct areas, including a delightful seating and entertaining area, ideal for enjoying al fresco dining and relaxing during the warmer months. Expansive areas of lawn are complemented by well-stocked and established flower borders, mature planting and a variety of shrubs, creating an appealing combination of colour, texture and greenery throughout the seasons.

The gardens provide an excellent degree of privacy and offer a peaceful environment in which to enjoy the surrounding countryside and outdoor space. Adding considerable practicality is a superb timber-framed garage and car port, providing excellent covered parking together with useful storage and workshop facilities.

The combination of attractive landscaping, generous lawns, established borders and excellent parking facilities creates a particularly appealing outdoor setting, perfectly complementing this charming country property.

DIRECTIONS

From the centre of Malpas drive out on the Wrexham Road for about 1 mile. Drive just past the turning on the right for Cuddington and Shocklach and the property is located on the right hand side marked by the Halls for sale sign.
