Northwood are delighted to bring to market bungalow-Style living in a Secure Gated Development with private Entrance, Two Double Bedrooms & Secure Parking

Occupying a prime ground floor position within the highly sought-after The Court development situated in the Marine Gate Mansions, Southport. This beautifully presented two-bedroom apartment offers a unique lifestyle opportunity, combining the convenience of apartment living with the privacy and feel of a bungalow.

Accessed via its own private front door, the property immediately sets itself apart from conventional flats. Once inside, the spacious and well-planned accommodation creates a wonderful sense of privacy, with generous room proportions and an abundance of natural light throughout.

At the heart of the home is an impressive open-plan living and dining space, seamlessly connected to a well-appointed fitted kitchen, creating an ideal environment for both everyday living and entertaining. Large windows provide attractive views and enhance the bright, airy atmosphere.

The accommodation further comprises two generous double bedrooms both finished with a range of fitted wardrobes creating excellent storage space. The superb principal bedroom has en-suite shower room, whilst a separate family bathroom serves guests and the second bedroom.

Set within beautifully maintained communal grounds, The Court enjoys a peaceful and secure environment with attractive landscaped gardens creating a charming courtyard setting rarely found in modern developments.

Additional benefits include secure gated parking accessed via electric entrance gates, well-maintained communal areas and a highly convenient location opposite the beautiful Marine Lake and only a short distance to Southport's amenities, transport links and coastline. Offering the perfect balance between apartment convenience and bungalow-style living, this exceptional home is ideally suited to downsizers, professionals and those seeking secure, low-maintenance accommodation in an enviable setting.

Early viewing is highly recommended.
