Kilndown Place, Stelling Minnis, Canterbury

Offers In Excess Of £700,000

An exceptional opportunity to acquire a beautifully presented four-bedroom detached family home in the highly desirable village of Stelling Minnis, just a short drive from Canterbury. Built by the award-winning Pentland Homes only four years ago, this impressive former show home offers spacious, energy-efficient accommodation, contemporary styling and a premium specification throughout, making it an ideal family home in a sought-after Kent village location.

Upon arrival, the property immediately impresses with a substantial driveway providing ample parking, alongside a spacious garage offering additional parking, storage, or workshop potential. Inside, a welcoming and expansive entrance hall introduces the sense of light, space, and quality that continues throughout the home. To the front of the property is a generously sized study, ideal for remote working, together with a convenient cloakroom/WC. The original principal reception room, currently utilised as an additional bedroom, offers excellent versatility and can easily be reinstated as a formal lounge or family room if preferred.

The true centrepiece of the home lies to the rear, a magnificent open-plan kitchen, dining, and family living area designed for modern lifestyles. Flooded with natural light through impressive bi-fold doors spanning the rear elevation, this space seamlessly connects indoor and outdoor living. The contemporary kitchen is beautifully appointed with sleek cabinetry, integrated appliances, double ovens, elegant marble worktops, and a central island with breakfast bar, creating the perfect setting for both everyday living and entertaining.

The first floor continues to impress with four generously proportioned double bedrooms, each benefiting from fitted wardrobes to maximise storage while maintaining a clean and contemporary finish. Two bedrooms enjoy stylish en-suite shower rooms, while the remaining accommodation is served by a beautifully presented bathroom.

Externally, the current owners have thoughtfully redesigned the gardens to create an exceptional outdoor environment. The landscaped rear garden features two newly created patio areas, a dedicated seating space, pergola, and a luxurious hot tub area complete with an outdoor shower ideal for entertaining or relaxing in privacy. A valuable side garden further enhances the outdoor offering, providing additional space to build a garden studio, creating a home office.
