Property Description

Positioned in a quiet residential cul-de-sac to enjoy an idyllic view to the rear over a small waterfall and a gently cascading Blockley Brook, a former Mill Race, towards gardens and open countryside, this next to end terrace, three storey, three bedroom contemporary style cottage is available from the 21st February 2025 and internal viewing is essential to fully appreciate all the property's attributes.

There is a spacious living room with a homely gas-fired stove and on the first floor there are two double bedrooms and two bathrooms which have recently been renewed, one ensuite to the master at the rear also enjoying the best views.

The lower ground floor offers a living kitchen with a good range of units and integrated appliances with a central work podium and ample space for a dining table with a large American fridge-freezer included in the tenancy. This room in turn leads to an outside patio, perfect for alfresco dining and the four properties in this row have access over a purpose-built bridge to the separate garden beyond which will be maintained as part of the tenancy.

Further attractions include a lower ground floor utility room, gas fired central heating, a ground floor bedroom or study and two allocated parking spaces within Blockley Court. The property has recently been redecorated throughout.

The property is located towards the centre of Blockley village close to the village green, two public houses, the local primary school, a well stocked village shop and a very fashionable Blockley Cafe which doubles as a fine dining restaurant several evenings a week. The property is within the catchment area for Chipping Campden Secondary School.
