ENTRANCE HALL 6'6" approx x 3'4" approx

You enter the property through a part-glazed, oak-effect uPVC door into the entrance hall, where there is space to remove outdoor coats and shoes. An understairs cupboard provides excellent storage for household items; the vendor is also housing a tumble dryer here. There is an opening to the breakfast kitchen, and an attractive timber door with wrought iron hardware leads to the lounge. Parquet-effect vinyl flooring completes the space.

BREAKFAST KITCHEN 9'3" approx x 7'3" approx

Beautifully finished, this kitchen is fitted with pale grey shaker-style wall and base units with antique silver/pewter handles, granite-effect worktops with matching upstands, and a lovely ceramic Belfast-style sink with mixer tap. Integrated appliances include a fridge freezer, double oven, four-ring electric hob, concealed extractor fan, and a washing machine. A fitted breakfast bar provides the perfect place for informal dining, and dual-aspect windows allow natural light to flood in. There is spot lighting, parquet-effect vinyl flooring, a part-glazed uPVC external door which opens to the rear patio area, and an opening leading to the entrance hall.

LOUNGE 14'11" approx x 12'9" approx

This generously sized lounge enjoys stylish décor in soft tones to complement the stunning character features, which include a stone fireplace housing a wood-burning stove, exposed timber ceiling beams, and exposed stone around the front-facing window. There is an abundance of space for a range of lounge furniture, and, if desired, the room could accommodate a dining table and chairs. There is spot lighting to the ceiling, a timber door leads to the entrance hall, and an open staircase ascends to the first-floor landing.

FIRST FLOOR LANDING

A skylight allows natural light to cascade down over a split-level staircase, which rises to the first-floor landing. From the landing, attractive timber doors with wrought iron hardware lead to the two bedrooms and house bathroom.

The property is also fitted with a Positive Input Ventilation system, with the vent located here.

BEDROOM ONE 14'10" max x 9'3" max

This double bedroom is almost L-shaped and boasts a dressing area with wardrobes and space for a dressing table. The room has been elegantly decorated in neutral tones and features an exposed timber ceiling beam alongside dual-aspect windows, both with exposed stone surrounds. There are spotlights to the ceiling, a hatch providing access to the loft space, and a timber door leading to the landing.

BEDROOM TWO 6'9" max x 6'5" approx

Positioned to the rear of the property, this pretty second bedroom is currently set up as a study but would also make a fantastic nursery or walk-in wardrobe. There is built-in shelving and a seat creating a small reading nook over the bulkhead; alternatively, a bespoke single bed could be fitted here. A rear-facing window with exposed stone and a timber door leading to the landing complete the room.

BATHROOM 7'0" approx x 5'4" approx

Comprising a three-piece suite including a corner bath with seat, mixer tap, and electric shower over, a pedestal hand wash basin with mixer tap, and a low-level W.C., this bathroom is fully tiled with decorative wall tiles and has tile-effect vinyl flooring. The room also benefits from a chrome heated towel rail, spot lighting, an extractor fan, and a timber door leading to the landing.

FRONT

To the front of the property is a well-stocked flower bed and a good-sized patio area, perfect for outdoor furniture, pots, and planters. There is access to the side of the property, which leads to the rear.

REAR

Hidden away behind the house is this quaint second sitting area. With direct access into the kitchen, this is the ideal place for al fresco dining.
