Uxbridge Road, Kingston Upon Thames, KT1 2LH

A beautifully presented two-bedroom, two-bathroom conversion flat set within a Victorian villa on one of the area's most desirable river roads. The property combines original character with a carefully considered contemporary finish, high ceilings, double-glazed timber sash windows and generous proportions throughout.

The main sitting room is particularly impressive, with plenty of natural light and a solid fuel stove. The property also benefits from enhanced acoustic insulation. There are two well-proportioned bedrooms with fitted wardrobes, a stylish main bathroom, and a separate shower room, together with excellent built-in storage and a useful external laundry room.

At the heart of the home is the bespoke kitchen, with integrated high-end appliances, minimalist cabinetry, granite worktops, and a large central island.

An outstanding feature is the exceptional private rear garden, approx. 12 metres wide and extending more than 40 metres in length. Professionally landscaped, it includes generous entertaining areas, established and architectural planting, garden lighting, a Koi pond and outdoor kitchen. There is a workshop/home office and further versatile space towards the rear of the garden. The kitchen and garden have been featured in The Sunday Times.

Driveway parking for one car. Council Tax Band C. Share of Freehold with approx. 111 years remaining on the lease. No fixed service charge. Building insurance and any maintenance or building costs are agreed in advance and split between the freeholders.

A distinctive home offering an unusual combination of period character, contemporary living, and exceptional private outside space.
