Providing 207.4 sq m (2,232 sq ft) of internal living space, the property represents an ideal opportunity for buyers seeking to customise a classic London home to their exact specification. The ground floor opens into a reception room and office featuring original character and rich parquet flooring. This level connects through a separate kitchen into a bright, rear facing conservatory. The space extends out to a private garden with the rare addition of a separate garage, delivering secure off street parking. There is also a w/c on the ground floor and a separate utility room with a sink. The utility room enhances day to day family living by helping to keep the main living spaces organised and clutter-free.

VERSATILE FAMILY HOME

The upper floors offer a highly flexible layout. The first floor contains a large principal bedroom with en-suite bathroom and an adjoining formal reception room. Three bedrooms and a family bathroom (with separate W/C) occupy the second floor, while the third floor provides a further two bedrooms with eaves storage, and a shower room. There is also a good loft for additional storage. The house retains excellent structural integrity, proportions, and potential.

WEST LONDON LIFESTYLE

Caroline Place is a quiet residential enclave situated within the premium W2 postcode area of London. The property is positioned moments from the open green spaces of Hyde Park and Kensington Gardens. The location provides immediate access to the boutiques, cafes, and restaurants of Notting Hill, Westbourne Grove, and Bayswater.
