The Development

GRAND UNION ROW, NORWOOD GREEN UB2 4JR

Hiltons Estates is pleased to present Grand Union Row, an exclusive new collection where nine beautifully crafted five-bedroom townhouses are now available, each finished to a high specification throughout. Timber herringbone flooring runs through every property, with underfloor heating to all floors and contemporary open-plan kitchens featuring high-specification quartz worktops, recessed spotlights and bespoke joinery.

Every townhouse offers five double bedrooms and four luxury bathrooms, with fitted wardrobes to the principal bedroom, a spacious top-floor terrace and a large patio opening onto the garden. Each home enjoys private parking, with visitor spaces and shared EV charging across the development. Set within a secure gated community with a communal pocket garden, Southall station is a 20-minute walk away, placing Piccadilly just 30 minutes along the Elizabeth line.
