

Chelsea Cloisters
Sloane Avenue, SW3

CHESTERTONS

A studio apartment of approximately 188 sq ft, situated within the well-known Chelsea Cloisters development on Sloane Avenue, SW3, offering an excellent opportunity for refurbishment and value enhancement.

Positioned on an upper floor, the flat benefits from a distinctive curved window which allows for good natural light and provides an attractive outlook over the surrounding period architecture. The accommodation is arranged as a single open-plan reception/sleeping space, with scope to reconfigure and optimise the layout to suit modern living requirements.

A separate kitchenette and bathroom are both functional but dated, with the property overall requiring modernisation throughout. This presents an ideal prospect for an incoming purchaser to undertake a programme of improvement, adding both style and long-term value.

Chelsea Cloisters is a popular, purpose-built block with lift access, portage and on-site management, making it particularly appealing for investors, pied-à-terre or rental use. The building also benefits from step-free access.

Ideally located moments from the amenities of the King's Road, Sloane Avenue and South Kensington, with excellent transport links and a wide array of shops, restaurants and cultural attractions close by, placing the best of central London within easy reach.
