Believed to date back to the early Victorian era and originally formed from two cottages, this unique townhouse has been thoughtfully combined and substantially extended to create a deceptively spacious family home. Occupying a highly convenient setting, the property is within easy reach of a parade of shops, well-regarded schooling and the West Suffolk Hospital, whilst the historic town centre is approximately a 15-minute walk away.

Offering an excellent combination of character, charm and modern convenience, the house enjoys light and airy accommodation throughout.

A particular highlight is the impressive open-plan kitchen/dining/family room, featuring a vaulted ceiling, roof lanterns and French doors opening onto the gardens, creating a superb space for everyday living and entertaining. With 3 double bedrooms, generous reception space and beautifully maintained gardens, this individual home must be viewed internally to be fully appreciated.

The property benefits from gas-fired central heating and sealed unit glazing and, in more detail, comprises:

Ground Floor

The front door opens into a spacious sitting room, a comfortable and welcoming reception space featuring a woodburning stove as its focal point.

Beyond the sitting room is a further family room, providing excellent flexibility for family life and offering additional space for relaxing, working from home or entertaining guests. A cloakroom also leads off this area.

To the rear of the property is an outstanding open-plan kitchen/dining/family room. Flooded with natural light with French doors opening onto the garden, this impressive room forms the heart of the home.
