Directions

Upon entering the village of Meare, along the B3151 from Glastonbury, continue on through, passing the village school on your left. After approximately 0.5 miles, you will see the pillars and driveway for Quarenden House on the right hand side, immediately before a modern terrace of houses, also on the right hand side.

Description

Quarenden House is an impressive detached family home, set at the head of a private driveway and enjoying a high degree of privacy. The property offers well balanced accommodation including four double bedrooms, three reception rooms and a striking open plan kitchen and family space. Outside, the house stands within established gardens and land extending to approximately 0.50 acres. With ample parking, a detached double garage and a secluded setting, this is a well positioned home suited to modern family living.

The property is approached via a private driveway with wooden gates opening onto an extensive brick paved drive providing parking and turning space. The front door opens into a welcoming entrance hall where stairs rise to the first floor and a useful understairs recess leads to a cloakroom with additional storage. To one side is the spacious sitting room featuring a woodburning stove set within the fireplace, together with windows to the front and side and sliding doors opening onto the rear deck and garden.

To the opposite side of the hall is the impressive open plan kitchen and family room, fitted with a comprehensive range of wall, base and drawer units with granite work surfaces over and integrated appliances including a double oven, ceramic hob, dishwasher and fridge freezer. A breakfast bar extends from the work surface and there is ample space for a dining table, with patio doors opening onto the rear deck. A door leads through to the utility room which houses the oil fired boiler and provides space and plumbing for appliances, along with a stable door to the garden. Additional ground floor rooms include a snug with dual aspect windows and a separate study overlooking the rear garden.

On the first floor, the landing provides access to four double bedrooms and the family bathroom, together with an airing cupboard. The principal bedroom includes built in wardrobes and an en suite shower room, while bedroom two also benefits from fitted wardrobes and a front facing aspect. Bedrooms three and four overlook the rear garden and also include built in storage. The family bathroom is fitted with a white suite including a bath with shower over, wash hand basin and WC.
