## INTERNAL

Upon entering the property, you step into a large porch—ideal for storage and perfect for accommodating a buggy. From the entrance hall, the kitchen has been opened up and refitted with contemporary pale sage green kitchen units offering ample storage, featuring a stylish larder cupboard, integrated wine fridge and space for a range cooker, fridge/freezer and dishwasher, down the other end is a handy utility area with space for washing machine and tumble dryer, side door giving outside access.

At the rear of the home sits a spacious south-facing living room, with a dual aspect to allow plenty natural light in and complete with a feature log burner and double doors leading out to the rear garden. Adjacent is the separate dining room, with views over the garden and also houses the staircase to the first-floor landing.

From the hallway, steps lead down to a fourth double bedroom with its own private door to the garden, as well as access to a recently refitted bathroom—creating a space that feels both separate from, yet connected to, the main home.

On the first floor, there are three well-proportioned double bedrooms and an additional shower room, completing this versatile and thoughtfully arranged property.

## EXTERNAL

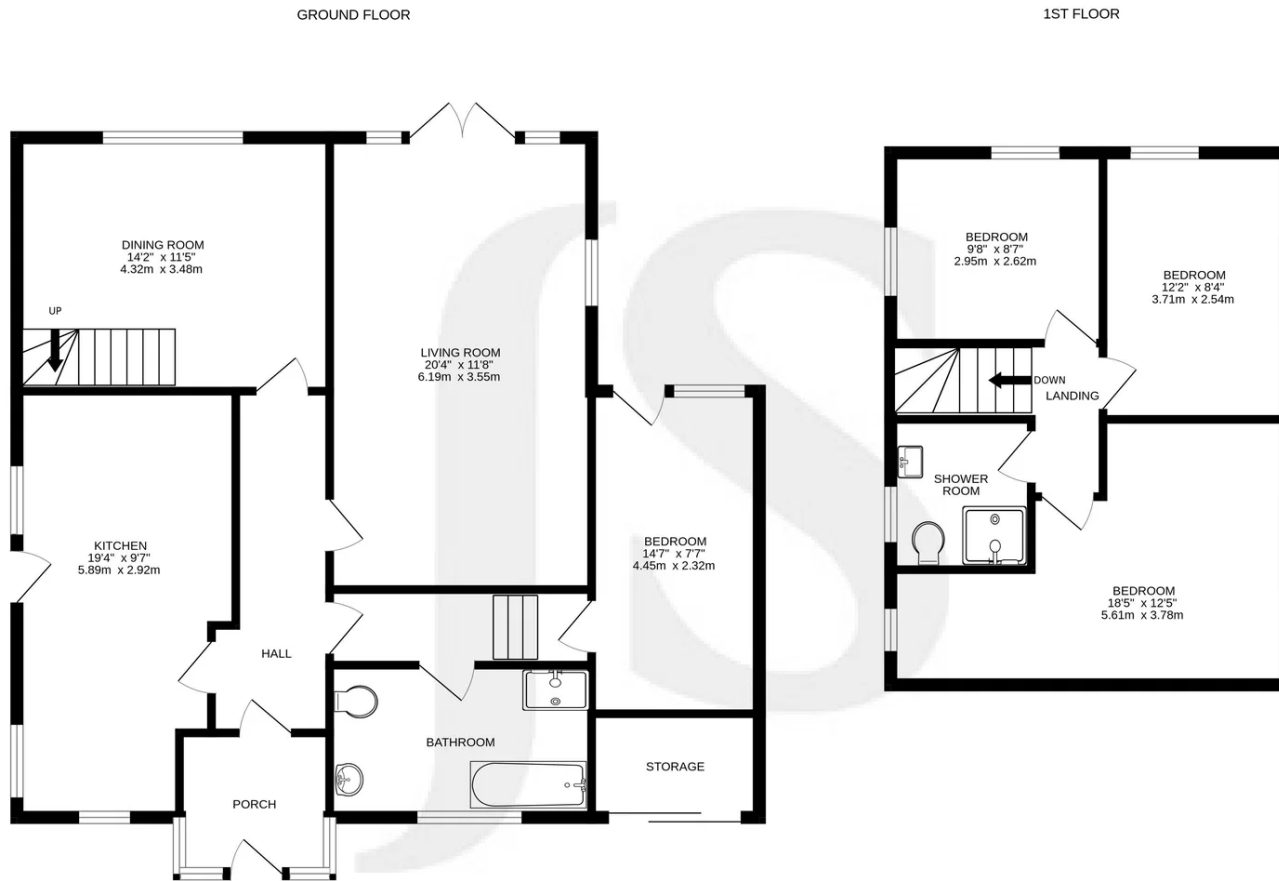

The block paved driveway provides generous off-road parking for multiple vehicles, framed by an attractive front garden laid to lawn with well-established shrub borders. The former garage has been thoughtfully partially converted, still offering a practical external storage section with an up-and-over door.

The south-facing rear garden is a standout feature of this home—beautifully maintained and predominantly laid to lawn, with mature planting that adds colour and privacy throughout the seasons. A raised decked area creates the perfect spot for relaxing or entertaining, making this outdoor space as enjoyable as the home itself.
