Ground Floor

As you step through the front door, you're greeted by a charming cloakroom hallway - the perfect place to hang coats and shoes after a busy day. This leads into a magnificent living room, bathed in light from two elegant bay windows. The space is versatile and inviting, with an ornamental fireplace as its centrepiece. Picture a baby grand piano and Chesterfield sofas setting the tone for refined gatherings or quiet evenings. From here, a small hallway offers three directions. To the left lies the breakfast room and utility space, a natural continuation of the kitchen, with calming beech wood tones, soft green cabinetry, and ample storage. Straight ahead is the ground floor shower room, complete with a generous corner shower, WC, and hand basin. To the right, the home opens into the impressive lounge and dining areas, the heart of this residence. With high ceilings, ornate cornicing and enough space for large family sofas and a full dining set, this area is ideal for both entertaining and relaxing. French doors lead to the rear garden, while a striking dark wood staircase and access to the study/storage/garage space complete this flowing and beautifully proportioned ground floor layout.

First Floor

Ascending the staircase, you're welcomed to the first floor. To the right, bedroom 1 overlooks the peaceful rear garden and features it's own dressing room for convenient organisation of your clothes. There is also access to a stylish Jack and Jill style, tiled bathroom shared with the adjacent bedroom 2, with it's spacious layout and

front facing views. Bedroom 4 follows along next, a comfortable double with space for wardrobes and personal touches. At the end of the landing is bedroom 3, another spacious double. Each bedroom offers comfort, light and room for each family member to create a tranquil retreat of their own.

Exterior

Step into a generous rear garden where landscaped details meet expansive green space. A patio area provides the perfect spot for outdoor dining or morning coffee, overlooking a large lawn perfect for children's games or pets at play. A summer house outbuilding to the rear of the garden provides flexibility as a creative studio or entertainment hub, while two additional sheds offer plenty of storage. Side access connects the garden to the front, where the paved driveway with dual entrances, accommodates multiple vehicles. The home's bold monochrome façade and commanding presence give it undeniable curb appeal.
