REFERENCE BA0665 Ben Appella: A very nice example of a post war semi detached house that has been the home of my client for the past 57 years. During this time the property has been extended and improved as required to provide a very comfortable family home in this sought after location. There might be an opportunity for further extension to the loft space, which offers a good space, and to the side of the property incorporating the existing garage (subject to planning and building regulation approval). In brief, the accommodation offered comprises; a lounge/dining room, refitted kitchen/breakfast room, three well proportioned bedrooms, sizeable loft room, and a five piece bathroom suite. Outside there is a very pleasant west facing rear garden, a brick built store, further storeroom/gardeners toilet, double garage and driveway parking. The property also features and benefits from a gas fired central heating system and double glazing.
