20 WEST COMMON CRESCENT

DESCRIPTION

Set back from the road with a generous driveway providing off-road parking for several vehicles, the property opens into a welcoming entrance hallway. To the front is a comfortable living room with a gas fire creating a cosy focal point.

To the rear, the home really starts to show its versatility. The generous L-shaped kitchen offers an extensive range of fitted units and plenty of workspace, while an archway leads through to a separate formal dining room. With room for a six-seater dining table, this is a lovely space for entertaining, although it could work equally well as a children's playroom or additional family area.

Upstairs, there is useful storage from the landing and three bedrooms, but it's the heavily extended principal bedroom suite that really sets this property apart. Entering first into an exceptionally spacious dressing room, there is an extensive bank of fitted wardrobes and drawers before continuing through into the double bedroom itself. It's a fabulous amount of space and offers plenty of potential for a new owner to personalise and create a fantastic principal suite.

Bedroom two is another generous double, alongside a third bedroom and the family bathroom, which is fitted with a walk-in shower.

Outside, the rear garden offers even more than first meets the eye. A paved patio provides an immediate seating area, alongside a brick-built garden pod divided into two useful spaces. One side is currently used as an outdoor utility room, while the other has been transformed into a fully equipped home office with electricity and power — ideal for anyone working from home.

Steps lead up to the main garden, which is laid to lawn and enclosed by timber fencing, with further space at the bottom to create another seating or entertaining area.

A brilliant opportunity for first-time buyers, young families or anyone looking for a surprisingly spacious home at an accessible price point, with flexible living space, excellent bedroom proportions, off-road parking and that all-important home office.
