MAYFIELD ROAD WEYBRIDGE, KT13

ASKING PRICE: £1,395,000

Forming the central portion of what was once an impressive period residence, this substantial home is packed with character and offers an exceptional amount of space. When the original house was divided into three individual properties, this particular home retained arguably its finest feature the magnificent original staircase, complete with extensive timber panelling, turned balustrades and a dramatic galleried landing.

The accommodation extends to almost 2,600 sq ft, with generous and flexible living space arranged over three floors. The ground floor includes a large kitchen/family room, two further reception rooms, utility and guest WC, while the upper floors provide four good bedrooms, additional study space and bathrooms. Period detailing remains a real feature throughout, including leaded windows, exposed beams, wood panelling and original flooring, alongside a fantastic first-floor terrace. Outside, the property continues to impress. There is off-street parking for approximately four cars, a good-sized south-facing rear garden and a detached garden building currently used as a gym, offering plenty of scope for a home office, studio or entertaining space.

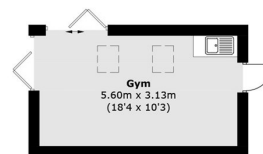

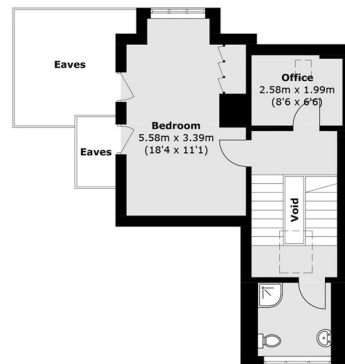

Mayfield Road is one of those Weybridge locations that is particularly hard to beat, ideally positioned for the High Street, mainline station and a number of highly regarded local schools. With everyday shops, restaurants, cafés and transport links all within easy reach, it combines substantial period accommodation with one of the most convenient settings in town.
