SCHOOLS

Description

The accommodation begins with a welcoming entrance hall leading through to a comfortable lounge with a front-facing window. Undoubtedly the heart of the home is the impressive open-plan kitchen/dining/family room to the rear, beautifully fitted with a stylish range of eye and base level units, integrated appliances, a Quooker tap and a central island. Bi-fold doors flood the space with natural light and open seamlessly onto the rear garden, creating an ideal setting for both everyday family living and entertaining. A beautifully appointed ground floor shower room completes the accommodation on this level.

The property has been comprehensively modernised throughout, including a full rewire and complete replumbing in 2024, together with the installation of a new consumer unit, gas boiler and HWS cylinder. In addition, hard-wired internet has been installed to every room, providing fast and reliable connectivity throughout the home. A newly installed security system and hard-wired fire alarm system further enhance the property's safety and peace of mind. To the first floor, the landing provides access to three well-proportioned bedrooms, all served by a luxurious contemporary family bathroom finished to an exceptional standard.

Externally, the rear garden commences with a generous paved patio incorporating an outdoor kitchen with gas connection, sink and water supply, creating an excellent space for al fresco dining and entertaining. Steps lead down to a well-maintained lawn bordered by mature shrubs, offering a high degree of privacy. At the far end of the garden, a substantial concrete base has been installed and future-proofed with electricity, water and hard-wired internet connections, providing the perfect opportunity to create a home office, gym or entertaining space. To the front, a newly landscaped driveway provides off-street parking for up to three vehicles, benefits from an electric vehicle charging point, and leads to the garage.
