Shared Ownership

Shared Ownership is a government scheme that offers you the chance to buy a share of a property from a housing association, a non-profit-making body that provides homes.

Because you only own a part of the property, you can buy it with a smaller deposit and mortgage. A smaller mortgage means smaller repayments but you'll also need to pay:

- Rent on the share of the property you do not yet own
- Monthly service charges

To be eligible for Shared Ownership you need to:

- Be a first-time buyer, an existing shared ownership homeowner, or a former homeowner who can't afford to buy now
- Be over 18 years old
- Have an annual household income of less than £80,000 (£90,000 in London).
