# A Two Bedroom Detached Bungalow, with a Favoured Westerly aspect, Garage & Additional Workshop. Located moments from Henfield High Street and offered for Sale with No Onward Chain.

## Furners Mead

Furners Mead is conveniently located just a short walk from the High Street in Henfield village, accessible via several twittens that provide quick access to the shops. The area is known for its 17th and 18th-century architecture and is surrounded on three sides by various Commons, making it a delightful place to live. It offers a range of shopping facilities, inns, cafes, a library, and a post office. Additionally, the Stagecoach bus service connects residents to nearby towns, including Horsham and the city of Brighton, which offer more extensive shopping and leisure options.

## Description

Set one road back from Henfield High Street, this two-bedroom detached bungalow is available for sale with no onward chain in the popular area of Furners Mead. Featuring a bright open-plan lounge/diner, ample parking leading to the detached garage, and a desirable westerly aspect, this property is not to be missed!

The entrance is through a large vestibule on the side, providing access to all the principal rooms. The spacious wrap-around lounge/diner is bright and airy, thanks to a full run of windows on one side and two additional windows overlooking the lovely front garden. This leads into the kitchen, which boasts an abundance of storage cupboards and work surfaces, concealing essential white goods, along with access to a covered external storage area.

Towards the rear of the property, you'll find two double bedrooms. Both bedrooms currently feature a run of wardrobes set in the alcove, and offer pleasant views of the rear garden. The second bedroom also provides access to a glazed conservatory sunroom that seamlessly connects the interior with the garden. The bathroom has been adapted for accessibility whilst there is also an additional W/C.

Outside, a standout feature is the workshop, which can be accessed externally via the covered awning that connects to the garage, complete with an electric roller door. Additional private parking in front of the garage is a great bonus and should place this property high on your viewing list.
